|                                                                                                           |           |
|-----------------------------------------------------------------------------------------------------------|-----------|
| Supplier name or brand                                                                                    | SMEG      |
| Product code                                                                                              | SO4102S3G |
| Indice de eficiencia energética                                                                           | 61.1 %    |
| Clase de eficiencia energética                                                                            | A++       |
| Consumo de energía de función de calentamiento por convección natural del primer compartimento de cocción | 0.80 KWh  |
| Ficha Producto                                                                                            | 0.44 KWh  |
| Energy consumption in conventional mode                                                                   | 2.88 MJ   |
| Energy consumption in forced air convection                                                               | 1.58 MJ   |
| Nº de cavidades                                                                                           | 1         |
| Power supply main cavity                                                                                  | Eléctrico |
| Volumen                                                                                                   | 41 l      |
| Product mass                                                                                              | 33.200 kg |
